Sustaining the Reading Connection with Tye Cattanach, Reading Consultant

Tye has been immersed in the world of books since an early age. Her passion for reading has led her to the position of Reading Consultant and Product Manager with one of Australia's major book publishers.

Tye works closely with publishers, authors, teachers and parents to connect young readers with stories and literature that will develop reading skills and build the *habit of reading* in their lives. Her knowledge of books and reading from digital to traditional is extensive.

We are excited to have Tye support us in presenting this evening. At Mazenod College, we are passionate about the value of reading as we know that *Students who read Succeed* and *Every Student is a Reader!* Please join us!

- Discover the range of exciting reading options available to young people today
- Help your child return to reading when interest wanes
- Assist him to find books that match his interests and will take him further
- Learn what's popular with Mazenod's readers, the latest award winners and highly recommended texts from teacher librarians Camilla Elliott and Jessica Neville.
