Term 3 Issue No. 1  
21st July 2017

Dear Parents,

It is always great to welcome back the students. On Monday when the staff returned we had an unexpected visitor to the College, Cardinal Orlando Quevedo OMI. Cardinal Quevedo is an Oblate of Mary Immaculate and Archbishop of Cotabato, Philippines. He was in Melbourne to present at a Conference on the care of migrants and refugees, responding to the Pope's call. I took the opportunity to invite him to lead and preach at the Opening Mass for Term 3. After Mass Cardinal Quevedo shared with us a bit about the situation in his Diocese in the Philippines, the important work that he is doing in religious dialogue and his role as a Cardinal. While I was taking him for a tour of the school, I mentioned that he had the opportunity to see the wonderful facilities and meet our outstanding staff but missed out on meeting the best thing about Mazenod, the Students.

The Musical was a wonderful example of the students at their best, along with staff, families and past students working together to create what I can only describe as a magical experience. Mary Poppins, apart from being an entertaining Musical, also provides through song and dialogue a few pearls of wisdom.

Mary Poppins reminds us to "Never judge things by their appearance". I have to say that I often look at the appearance of some of our students. Young men, awkwardly growing up trying to fit in their bodies and their uniforms, wearing a uniform either too big in the hope of growing into them or uniforms that are struggling to fit after the latest growth spurt. Sometimes I do shake my head and think O.M.G.!!!

Each year someone comes to suggest a particular show, and the idea of these guys singing, dancing and getting the lines right seems next to impossible. But each year, along with the girls from Avila, they manage to astound me.

This is Mazenods 37th Musical and I was promised something spectacular to mark our 50th Anniversary. As promised the production was like Mary Poppins, "practically perfect in every way".

I would like to congratulate and thank the Staff and army of volunteers who have made this amazing evening possible. Everyone involved in costumes, backstage, lighting, supervising, stage setting and props, and many other thankless tasks and jobs that went unseen. Thank you for the countless hours of work that you have put in to make the show. I would like to make particular mention of Felicity Kamevaar, Director, Doug Leutchford, Musical Director, Frank Blakiston, Producer, Peter Nguyen, Assistant Musical Director, Laura Evans, Choreographer, Kate Gould, Vocal Coach, Joshua Olds, Stage Manager, and Ayesha Comerford, Assistant Director. I would like to congratulate the students for their commitment, hard work and most importantly having the courage to share their gifts with the community and create a little beauty in the world.

Thanks to favourable weather, the building program is currently on track. The Chapel has had the slab poured, and the rammed earth walls have begun. Completion date is still hoped for the end of October 2017.

The greatest changes have occurred with the O'Rourke Complex extension. When students left, all the ground work had been completed. The bottom slab was poured on the last day of Term 2, and since then, columns and scaffolding have been erected. The first-floor slab will be poured in the coming days.

The new Staff Car Park near the Provence Centre, though the simplest of the construction is behind schedule by at least two months and has presented the most problems. The proposed completion date of this 25 car space area is now mid-August.

The China Immersion Experience returned safely at the end of the first week of the Holidays. It was a new format with the majority of time spent in the three primary schools and one secondary school which are cared for by the Oblates. We also participated in a number of works with the poor and homeless in Hong Kong, visiting an Australian Oblate and former staff member Fr John Wotherspoon. After the Hong Kong experience we travelled to Guanzhou to visit the newly established

It was a great success and will be a good model to develop in the future, however at a different time of the year as the constant 32 degrees and 75-85% humidity was exhausting. For a detailed account of the visit click this link <http://chinamissionimmersion2017.blogspot.com.au/>.

God Bless,  
Fr Christian Fini OMI  
Rector

## Shall we legalise euthanasia and physician assisted suicide in Victoria?

There is a poster in the Year 7 area that states, "Stand up for what is right, even if you are standing alone."

Currently the Victorian Government is moving to legalise voluntary euthanasia and physician assisted suicide with a bill to be put before the Parliament in August.

Is euthanasia right? Does compassion justify the direct ending of another's life? Is it just for the law to permit the act of killing oneself? How would such a law protect those vulnerable to being manipulated, such as the mentally ill? What can be done to prevent it being passed into law?

Well-known Australian comedian Andrew Denton has recently been very prominent publically outlining the pro-euthanasia position, citing the painful death of his father to illustrate the need for it. Palliative care – the alleviation of suffering for the terminally ill and their families - is a major task of the medical profession and is championed by Catholic Healthcare institutions in Australian public life.

Its pastoral care in practice and by its moral teaching the Church remains very committed in this matter. Coming under the category of the fifth commandment, thy shalt not kill, the Catechism of the Catholic Church states: "Whatever its motives and means, direct euthanasia consists in putting an end to the lives of handicapped, sick, or dying persons. It is morally unacceptable." (CCC 2277) Even with motives that are good, such as the desire to alleviate suffering, euthanasia is killing: "the error of judgment into which one can fall in good faith does not change the nature of this murderous act, which must always be forbidden and excluded." (CCC 2277)

True compassion takes place when one suffers with another by drawing near to them and loving them through concrete acts (the etymology of the word "com-passion" means "to suffer with"). Pope Francis calls euthanasia an act of "false compassion."

From a Christian perspective euthanasia does not recognise the redemptive value of human suffering, which is so central to the meaning of the passion and death of Jesus Christ. And to the Christian death is never the end, because of the transformative power of the Resurrection, rather it is a passage to new life and eternal joy in God.

So, what can be done?

"The only thing necessary for the triumph of evil is for good men to do nothing" (attributed to Edmund Burke). The most effective action is to write and send a short, courteous, handwritten letter to your Victorian Lower or Upper House Member stating your opposition to the proposed legislation.

And remember, as the poster in Year 7 states, "Stand up for what is right, even if you are standing alone."

## STUDENT LEADERSHIP

After a very busy Term 1 organising Mission Action Day, the Prefects turned their action towards Change for Change Day in Term 2. This was a Prefect initiative for Mazenod College where the entire College wore casual clothes and provided a gold coin donation. The Prefects elected for the money to be donated in the name of Ethan Johnson Devine to the Royal Children's Hospital. Pleasingly, thanks to a week of intensive advertising and a presentation at assembly, \$3000 was raised. Hopefully this can be a new tradition each year, with each year level electing a charity close to their heart.

Additionally, the 52 members of the Student Representative Council met in Term 2 and made a presentation to each of their Homerooms. The SRC members sought feedback about the KIVA project. KIVA are a micro-financing platform ([www.kiva.org](http://www.kiva.org)), and each year level has an account, where they lend to people in need throughout the year. Each Homeroom received some feedback on their loans from 2016 and decided on their lending priorities for 2017. Using that feedback the 52 SRC members then competed their loans for 2017 at the end of Term 2 and will report back again to their Homeroom in September. Finally, the SRC also sought feedback from their Homeroom about what they think makes Mazenod special. This information was then collated and will be used to shape a Vision and Mission Statement that is being written to mark the 50th anniversary of the College.

We look forward to plenty more student leadership initiatives in Term 3!

Ms Clare Caldwell

## CANTEEN

Welcome back to Term 3 at the Mazenod Canteen. A special welcome to all our new volunteers; and of course of regular and dependable volunteers. We could not do what we do without you.

We will continue to have a limited number of vegetarian options on the menu including spinach and ricotta rolls and macaroni cheese. We have also started to trial some lunch time specials including fried rice, pasta and meat balls, pasta carbonara or warm roast beef rolls. Please see the white board outside canteen for the daily special. If you would like to guarantee your lunch choice please come and see us between 8am and 8.30am and put in a lunch order.

We will continue to extend the menu and offer new options but we can only do this when we have enough volunteers. We are always looking for new volunteers. Why not make a commitment with a group of friends. Canteen duty is not all hard work there is plenty of time for a chat and a cuppa while we work. We have grandparents, dads and old boys on the roster, everyone is welcome please email your details if you can help out. Also if your work commitments change and you need to be removed from the roster all together, please use this email address. [canteen@mazenod.vic.edu.au](mailto:canteen@mazenod.vic.edu.au)

Thank you - Emma, Trish and Lynn

## VCE PE ENHANCEMENT DAY

Earlier this week, the Unit 3 and 4 VCE Physical Education students attended the VCE PE Enhancement Day at Monash University, Peninsula. Students were involved in GPS analysis, a series of fitness tests and a lecture from an exercise science professor. Two students, Stefan Moutsopoulos and Taylor Siwek also got the chance to complete a VO2 max test. The test is a maximal effort test, so the participant keeps going until they can't continue. Both did extremely well with Stefan recording a VO2 max of 62.6 which is excellent for his age group, while Taylor broke the Monash schools program record with a score of 75, which is elite for someone his age. An average AFL footballer has a VO2 max of 55-65, while cross country skiers have recorded scores of over 90. All students enjoyed the day, while taking with them vital knowledge that will assist them with their studies in VCE PE.

**WE'RE BACK!**

Term 3 ACC Sport and House Sport has returned in earnest this week! ACC matches have started for nearly all teams with great success for most! Thanks to all the Year 9 and 10 Students who arrived ready to play games first day back and win every clash on the day! Our Seniors began on the Wednesday and Juniors started yesterday! It will no doubt be another busy time as we have the State Volleyball titles in 2 weeks where we will play off not only to be recognised as the best Volleyball College in the State but to also try and gain entry into the Honours Section for the Nationals in December. (Honours Division determines the best teams in the Country!) We wish Mr Cowan and the boys every success as they have been training very hard over the holiday period. Thanks also to the generous staff who came in and supervised training.

Our third big carnival the Cross Country will take place in the second last week of Term on the 13th September at Bundoora. We have shown gradual improvement over the past years thanks to Mr Pearson, Mrs Jung and Mr Davies and their Friday morning sessions! These will start again very shortly as we hope to go even better in 2017. The egg and bacon rolls also help keep the boys motivated as well!

**MAZENOD COLLEGE – FIRST PRIORITY**

With Football and Soccer finals soon to begin at local level we wish all students every success and their teams! I also thank the students for their commitment to Mazenod ACC Sport especially in the tough Term 2 sports and I am pleased to say we had very few incidents where students did not make themselves available to play as required. I do remind parents that as part of your enrolment you sign and commit to all Mazenod Sport programs and give them first priority. We have had a couple of instances lately where students have said they cannot do PE classes as they have important weekend games of sport! The same applies for all our classes and students are expected to participate fully in all lessons.

**TERM 3 ACC SPORTS- Clothing requirements & Safety.**

A reminder to all students and parents that ACC Sport begins again week one of Term 3. A short turn around especially for our Year 9 and 10 students who play first day back! Students will receive their tops on the day, however students will need to be organised with all their other clothing and equipment. Students will need black socks for Hockey and black shorts. Basketballers need black shorts without pockets. Table Tennis boys can play in their white Mazenod polo tops. In terms of safety ALL students selected in the hockey squads will be required to play with a mouthguard and shin pads. These can all be purchased at Rebel or local chemist. Students without these essential pieces of equipment will not be permitted to play.

We will no doubt have big numbers tryout and unfortunately not everyone will get selected. We appreciate that many students have many talents and we will do our best to give every students the opportunity to show his wares. Our older students will have limited tryouts due to the very busy end of Term 2 and coaches will notify students about upcoming training and or matches that begin first week back of Term 3.

**CROSS COUNTRY CHAMPS AND TRAINING**

Mr Pearson has also begun our weekly training session for Cross Country on a Friday morning! The boys enjoy a magnificent egg and bacon rolls most Friday mornings after clocking up a number of kilometres! All students are invited to attend regardless of ability starting at the Oblate Hall at 7:30am.

ANNIVERSARY

From the Archives...

“There’s a kind of hush in Boys’ College”...

When the first building on Kernot Avenue opened for classes in June 1968, it was one of the first schools to have carpet throughout the building. This was considered a novelty at the time. Students had to remove shoes and wear slippers while in class to help preserve the carpet. The carpet was expected to save on heating costs and the extra expense in installing the carpet, as stated by Fr FitzPatrick would “pay for itself in about four years”. While this would have been considered luxury in 1968, it is now something we take for granted, and I’m sure we are all relieved that we don’t have to change our shoes for slippers every time we enter the buildings!

The Ultimate Mazenod-Avila Musical After Party

Saturday 26 August 2017  
THE PROVENCE CENTRE - MAZENOD COLLEGE  
7.30 – 11.00pm

As part of our 50th year celebrations of Mazenod College, we now turn our attention to wonderful legacy our College Musicals have provided the students and parents of our community over many years.

Since 1981 when *Joseph and his Technicolour Dreamcoat* first hit the stage, many students of Mazenod and Avila College have enjoyed performing in these theatrical events which has showcased talented students over the years. There have been many memorable performances including three productions of Bernstein’s famous *West Side Story* in 1998, 2002 and 2014.

Those students, teachers and families who have been a part of the musicals over the years also know how much fun the “after-party” was after all the hard work was complete. We would like to re-live and remember those nights as we celebrate our 50th year.

A special one off ‘night of nights’ hosted by past student and musical performer, writer and comedian, Gerard McCulloch, will feature some live performances, video highlights, and will be a great opportunity to connect and socialise again with cast members from a distinguished list of musicals.

All of our extended Mazenod Community are most welcome to join us for this special night of song and dance, celebrating a great musical heritage.

Tickets for the event are a very reasonable \$30 (finger food included) plus a cash bar available. **Pre-purchase your ticket** via website [mazenodmusicalafterparty.eventbrite.com.au](http://mazenodmusicalafterparty.eventbrite.com.au) as ticket sales will not be available at the door.

## YEAR 11 BUSINESS WEEK

Business Week 2017 was a fitting way to bring us to the end of Semester 1 and we now report on the various accomplishments that unfolded. Running since 1998 it has always been an important event in our School calendar and contributes positively to the teaching and learning environment at Mazenod College. The program groups Year 11 students together to take responsibility for running their own enterprise. This year we elected to base activities around the management of a cafe business which culminated in a Trade Display on Friday with groups selling their 'designed' products. The Provence Centre car park was the venue and was transformed into a vibrant market place on the final day.

Activities over the week included participation in a computer simulation that involved making a number of management decisions around the operations of a business that helped to develop critical thinking skills. Students also designed advertisements to promote their business, participated in oral presentations, compiled a company report and learnt essential skills around teamwork. It was timely that this event took place after the Year 11 Examinations as it helped to support our philosophy as educators to offer our students both theoretical and practical learning experiences that prepare them for future work and life challenges.

The Australian Business Week program relies heavily on mentoring relationships and a number of teachers volunteered to take on this role. Feedback from teachers has been positive about the opportunity to see students in a co-curricular activity that pushes pupils outside their comfort zone to take control of their own learning. The groupings of students brought a mix of skills and knowledge. Working towards the goal of having the most successful business encouraged students to exchange ideas, be creative, motivated, productive and resilient. As a staff member, the collegiality that is evident as part of planning and running Business Week is a wonderful thing to experience. We truly are a caring and committed School Community.

Our students worked incredibly hard all week and should be so proud of their achievements. Thanks to all involved in making the week a success.

We raised over \$2,000 for a charity to be decided by the CEO leaders of groups. The winning team for the week judged over various criteria was Shake 'n' Bake – well done!

# WHO'S IN CHARGE?

**Does your child hurt, intimidate or abuse you?  
Do you feel you are losing control?  
Want to learn how to handle conflict?**

**Reclaim respect and calm in your family!**

The *Who's in Charge?* group is an **8 week** program for parents or carers of young people (8 to 17 years) who are out of control, violent or defiant. Emily & Libby from City of Monash Family Services will be facilitating this program. The group aims to:

- Provide a supportive environment to share experiences and ideas
- Reduce the guilt and shame which most parents feel
- Offer ideas to help you develop individual strategies for managing your child's behaviour
- Explore ways of increasing safety and well-being
- Help you feel more in control and less stressed

**Next program runs from 7pm to 9.30pm and starts on Thursday 27th July and finishes on 14th September 2017.**

The program runs from  
Batesford Community Hub  
94 Batesford Rd, Chadstone  
This program is FREE.

For enquiries or bookings call Emily or Libby on 9807 2500 or 0411 560 022.  
Limited places, bookings essential. More info on the topic of violence to parents at [www.eddiegallagher.com.au](http://www.eddiegallagher.com.au)

**Venue:** Waverley Cinemas  
Pinewood Shopping Centre, Mt. Waverley

**Movie:** (New Release) **PARIS CAN WAIT**

Eleanor Coppola's feature film directorial and screenwriting debut at the age of 81 stars Academy Award® nominee Diane Lane as a Hollywood producer's wife who unexpectedly takes a trip through France, which reawakens her sense of self and her joie de vivre. Anne (Lane) is at a crossroads in her life. Long married to a successfully driven but inattentive movie producer (Alec Baldwin), she finds herself taking a car trip from Cannes to Paris with a business associate of her husband (Arnaud Viard). What should be a seven-hour drive turns into a journey of discovery involving mouthwatering meals, spectacular wines, and picturesque sights.

**Movie Time:** 6.45pm

**Supper:** Following movie

**Cost:** \$20.00 per person for movie and supper.
