Term 3 Issue No. 3
4th August 2017

Dear Parents,

This Sunday we celebrate the Feast of the Transfiguration. This was the moment in Jesus's life where, well into his public ministry, Jesus takes two of his disciples up a high mountain to allow them to share and gain a glimpse of who he was and what he had come to do. Jesus is transformed before them – suddenly bathed in light and his clothes become dazzlingly white. The disciples also see Moses and Elijah standing and talking with Jesus. These two important figures in salvation history represent the Law and the Prophets, the combined wisdom that make up the tradition of Jewish teaching and Jewish scripture. It is the Law and the Prophets that Jesus' life and ministry brings to fulfilment. The transfiguration was a moment in time when Jesus' divine glory broke through his humanity and shone with a brilliance that was blinding, and the disciples were given a glimpse of the future.

One of the deep and unsettling questions that our young men are grappling with as they move through high school is "what does the future hold?" Subject Selections for next year touches on this important life question. The process is an important one that allows your son to make decisions which will influence their future. Students at Mazenod are fortunate to have a broad range of subjects to choose from, giving each student an opportunity to choose subjects that they enjoy studying and that will open opportunities for them in their future vocation discernment.

There was an excellent attendance at the Subject Selection Information evenings held this week at the College for current Year 9 and Year 10 Students. Your input as parents into this process is very important. I ask that you please take the time to look over the documents provided at the Information Evenings and talk it over with your son. Help your son recognise the importance of the decision and take time to consider all the options.

Some of the questions you might need to ask your son might be:

- What subjects interest you?
- What subjects are you good at?
- What subjects do you need for further study?

Use these rules when choosing subjects:

- ABILITY - choose courses you are good at
- INTEREST - choose courses you enjoy
- MOTIVATION - choose courses you really want to learn

I would like to congratulate the Students and all the Staff involved in last weekend's Volleyball Victoria State Schools Cup. It was one of the largest number of participating students, 121 students, with outstanding results across all ages culminating in our best ever school result. Full details of the results are under the Sports Section of this newsletter. Mazenod College has been awarded the 2017 Champion School Cup in one of the most closely contested results witnessed at the Volleyball Victoria Schools Cup's three-day event by a margin of two points. This is the first time that Mazenod has won the Champion School Cup as well as the first time since 2013 that all teams qualified for the highest Division possible. We will certainly look forward to the Nationals at the end of the year.

God Bless,

Fr Christian Fini OMI
Rector

Last week, the College was informed that our Operations Manager, Mr Greg Collins had decided to take up a position at Haileybury College. Greg has been Manager of Operations for over nine years and in that time he has certainly left his mark on the College.

Not only has Greg been in charge of the general maintenance of the College, ensuring that the site is well maintained, safe, with up to date equipment. He has also been integral in facilitating the larger projects that have taken place over the past nine years.

Construction of the Synthetic Soccer/Cricket Oval, the Provence Centre, the Johnson Oval and the new VCE Complex are just some of the major projects that have occurred, with Greg's industry experience having much influence upon the final product. Greg can talk the lingo of builders and contractors and I am sure that his innovative suggestions and advice have certainly saved the school hours of heartache and financial pain.

Greg's influence certainly hasn't been limited to the grounds and facilities of Mazenod. When Mazenod employed students as after-school cleaners Greg was their first boss. The values and ethics that he instilled in them certainly gave them the taste of what an outside employer would expect and for many this first foray into business life was the catalyst that enabled them to become successful entrepreneurs in the business world today.

Over the years, numerous VCAL classes have benefitted from Greg's ability to find / invent projects around the school that have allowed for them to experience 'life on the tools.' Building a Creek Bed water harvesting basin out of a floodplain, creating a rain forest ecosystem, landscaping the back yards of Rosies and Tempier House and assisting with the clear out and preparation of the Turtle Area/ Outdoor Classroom have all been assignments undertaken by VCAL students and overseen by Greg and the Maintenance/Grounds Departments. Whenever weather was against us, Greg taught the students knot tying skills, needless to say I was probably Greg's worst student and still cannot tie a knot to save my life! Greg also accompanied a VCAL Class on their overnight camp assisting with clean up

and repairs in bushfire ravaged areas. His ability to coax the lads into completing dirty, and difficult tasks certainly was appreciated by the organisers of BlazeAid.

Greg has many qualities, however, the standouts are his work ethic, loyalty and generosity. There have been many weekends where Greg can be found up at school, fixing a leak, checking on a contractor or preparing for the next project that the College is undertaking. His devotion to Mazenod can be seen in the way he has assisted with the Sports Associations that are linked to the school. This year's Founder's Day is just one example of how he coordinated the sporting fixtures of the day while organising the venue for an 'all club' luncheon.

I have had many robust discussions with Greg and the outcomes have always been the same – we do whatever is best for the students and the College. Greg's devotion to Mazenod will never be surpassed, his generosity will always be remembered and I am sure that all will appreciate his legacy, which has been to ensure that Mazenod's grounds and facilities are the envy of all. Mazenod's loss is certainly Haileybury's gain!

Mr Tony Rolfe
Deputy Principal (Operations)

ENGLISH

12 weeks – 4 days – 15 hours. That is how long the Year 12 students of Mazenod College have before they sit their final English examination. The English Literature and English Language examinations will follow soon after. It is not a long time to ensure that effective study habits and good revision techniques are being utilised to help your sons to achieve their aims. It is time for the Year 12s to consider the ways in which they are preparing for the examination. Now is the chance to ask the important questions of your sons:
-How are you revising for the English examination?
-Do you have an appropriate home study and revision program allowing you to revise work from Unit 3 as well as continue to develop your understanding of Unit 4 content?
-Are you devoting enough time to the task requirements of the examination?
-How are you going to work to improve your Unit 3 results?
-Have you asked your teacher for assistance in devising the best revision plan for yourself?
-Are you utilising the skills and knowledge of your teacher effectively?

There are often simple steps that students can make to develop the confidence they need in their writing ability. Writing an essay to a set time is one way, completing plans to different topics is another, and reading newspaper articles in an attempt to identify argument and language used is another simple strategy to start thinking about gaps in knowledge is a third. With the examination in sight, these skill builders can help students prepare for the challenges ahead.

This week saw the successful undertaking of the Year 12 Oral Presentation component of the English course. The procedure for this was different than in previous years due to changes in the Study Design at VCAA level. I would particularly like to commend the students for their attitude and conduct. They followed instructions meticulously and their preparation was exemplary, ensuring that the day ran seamlessly and that presentations were a pleasure to listen to.

We recognise that asking the students to present to a panel of teachers was undoubtedly a daunting prospect however it is pleasing to say that they rose to the challenge admirably and hopefully this has helped to build their confidence; the year 12 teachers agree that the standard this year was higher than any experienced previously.

Ms Nicola O'Shea - English Coordinator

Swing Band: Friday 25th Aug
Please make sure you attend all rehearsals for these ensembles. Could parents please make sure to sign the on line permission form.
Parents are most welcome to attend the festival.

VOCAL LESSONS: Were you inspired by this year's musical? If the answer is yes, now is the perfect time to consider vocal lessons at Mazenod. Please see Mr Leutchford or Mrs Gould in the music dept. for more information.

TIME TO SHINE 2018: Auditions for the Time To Shine, Catholic Schools, Stage Spectacular 2018, close this Friday. If you were involved in the musical and want more, this is a must do event that occurs once every few years. Please see the "Time To Shine 2018" website for details - [CLICK HERE](#) Stage Band rehearsal is on Friday 7:45am. Please make sure you are there.

APPLICATIONS FOR YEAR 7 2019

Applications for Year 7 Students in 2019 are now being accepted and close on Friday, 25th August 2017. If you currently have a son at the College, you are still required to submit an application for any younger siblings. Applications are available from Student Counter.

MAZENOD MOTHERS ASSOCIATION

Mazenod Mothers Association - Facebook Page:
The Mazenod Mothers Association has created its own Facebook page, where we will be posting information and updates about our upcoming events. If you have Facebook, please search for us under "Groups" – "Mazenod Mothers Association" or follow this link <https://www.facebook.com/groups/32648062778441/?fref=nf>. This is a private group established for current and ex- Mazenod mothers, so if you have any "ex-Maz" mums on your friends list, make sure you spread the word and invite them to be a part of our page.

Mazenod Mothers Movie Night
The Mazenod Mothers Association is once again hosting a Movie evening
Date: Thursday 10th August 2017
Movie Time: 6.45pm (supper following movie)
Venue: Waverley Cinemas
Pinewood Shopping Centre, Mt. Waverley
(New Release) PARIS CAN WAIT
Cost: \$20.00 per person
RSVP with payment: 3rd August 2017

Please see attached link to the information flyer and RSVP details. Payment can be made via cash, cheque or direct debit. [Please click here.](#)

Entertainment Books 2017/18
Please support the Mothers Association by purchasing a digital version (or hard copy) - Only \$70! Order your Entertainment Book via the Mazenod College personalized order page: www.entbook.com.au/188765g

SPORT

VOLLEYBALL STATE SCHOOLS CUP

Last weekend Mazenod celebrated one of its most successful State Volleyball tournaments ever. Mazenod was awarded the Best Volleyball School award for its overall performance in all levels. We triumphed over well-known Volleyball schools such as Eltham High School and Billanook College. The Best Volleyball School award reflected the overall high standard of our students. In particular we congratulate our Senior A Volleyball team and Year 8 team who were crowned State Champions! It was a well-deserved award for our Seniors who did not drop a set during the weekend playing some unbelievable matches. Like all major tournaments there were many challenges over the weekend and the boys should be very proud of the way they handled these and still were able to play to the best of their ability! We also congratulate the Year 10 team who were runners up in the State, losing a close final. The three teams have all now qualified for Honours Divisions at the Nationals in December meaning they will play off in the highest Division for their age group and hopefully be crowned the best team in the country! In fact all of our Division 1 teams qualified for Honours Division for the Nationals, the first time this has happened since 2013. Individual team results are as follows:

Open Honours 1- Defeated Rowville 3-0 to claim gold.

MVP – Pat Bailouni

Open Honours 2 - Finished 7th after losing a 5 set epic in the quarter finals MVP – James Moretti

17 Honours - Lost to Eltham in another 5 set thriller to claim silver.

MVP – Lawrence Banh

16 Honours - Produced their best result ever, to qualify for Honours losing 3-0 to Monbulk to claim silver. MVP – Quinn Tennent

Year 9 Div 1 - Went undefeated through the rounds to finish top of their pool but lost 2-0 in the final to claim silver. MVP – Jacob Mclean

15 Honours 1 - Went undefeated all tournament after surviving a 5 set thriller on the Saturday night to defeat Rowville 3-0 to claim gold. MVP – Ethan Hele

15 Honours 2 - Experienced a tough Friday to regroup and finish 5th. MVP – Emilit Mathew

Year 8 Div 1 - Very much the same as 15 Honours 2, tough start first ever tournament for a lot of them and they came through to finish 5th. MVP – Russell Truskowski

Year 7 Div 1, 1 - Undefeated until Saturday night where they lost a semi-final and their bronze medal game to finish 4th. MVP – Andrew Shin

Year 7 Div 1, 2 - Came through the tournament to finish 7th with some better performances as the weekend went on. MVP – Max Moretti

Year 7 Div 2, 1 - Finished 4th after losing their bronze medal game on Sunday morning. MVP – Daniel Grano

Year 7 Div 2, 2 - Finished 5th after losing to Mazenod 1 Sunday morning. MVP – TBC

Over the weekend we had over 120 students represent the College and many staff and Old Boys involved. We were able to run 4 Year 7 teams which is phenomenal and is a credit to those who run the successful program. Special mention must go to Mr Josh Cowan who has taken up the position of Volleyball coordinator and done a magnificent job in organising our 13 teams! Josh has great support from many others and should be proud of the way he led our successful weekend. The boys are enjoying a well-earned week off training before starting up again in preparations for the Nationals which will be played in Melbourne from Sunday 3rd - Sunday 10th December.

HOUSE CROSS COUNTRY – MONDAY 7TH AUGUST

A reminder to all parents and students that the annual House Cross Country will take place this Monday. All students in Years 7-9 are expected to participate and we will be running Year level events. Students will run a 3 km course though the College and around Monash Drive. **Students are allowed to wear their sports uniform on the day to and from the college.** The day celebrates those students with a talent to run and also allows us to look at the talent within our student body as we prepare for the 2017 ACC Cross Country where we have made steady improvement over the past years. Students will run at the following times: Period 1- Year 8, Period 2- Year 7, Period 3- Yr 10-12 Invite or sign ups only, Period 4 – Year 9.

MAZENOD COLLEGE – FIRST PRIORITY

With Football and Soccer finals soon to begin at local level we wish all students every success! I also thank the students for their commitment to Mazenod ACC Sport especially in the tough Term 2 sports and I am pleased to say we had very few incidents where students did not make themselves available to play as required. I do remind parents though that as part of your enrolment you sign and commit to all Mazenod Sport programs and give them first priority. We have had a couple of instances lately where students have said they cannot do PE classes as they have important weekend games of sport! The same applies for all our classes and students are expected to participate fully in all lessons.

CROSS COUNTRY CHAMPS AND TRAINING

Mr Pearson has also begun our weekly training session for Cross

Country on a Friday morning! The boys enjoy a magnificent egg and bacon rolls most Friday mornings after clocking up a number of kilometres. All students are invited to attend regardless of ability starting at the Oblate Hall at 7:30am.

TERM 3 WEEK 2 RESULTS

ANNIVERSARY

From the Archives...
Class of '92

The final day of Year 12 is always memorable for those students involved. The struggle to the finish line of, not only the year, but the end of high school can seem insurmountable at times. Yet when the day arrives it is often a mixture of joy, sadness and somewhat disbelief. At this time students relax and have a little fun, the excitement of these moments can never truly be captured but these images from the class of 1992s final day show some of the enjoyment. It also shows how much the school has transformed over the past 25 years.

If you would like more information or have memories to share please contact our School Archivist Marianne O'Hara at archives@mazenod.vic.edu.au or on 9560 0911 or visit us at <https://goo.gl/forms/vO6fZkerVnHksoz1>

Managing your privacy. It's important to know what others learn about you from publicly available information.

The Ultimate Mazenod-Avila Musical After Party

Saturday 26 August 2017
THE PROVENCE CENTRE - MAZENOD COLLEGE
7.30 – 11.00pm

As part of our 50th year celebrations of Mazenod College, we now turn our attention to wonderful legacy our College Musicals have provided the students and parents of our community over many years.

Since 1981 when *Joseph and his Technicolour Dreamcoat* first hit the stage, many students of Mazenod and Avila College have enjoyed performing in these theatrical events which has showcased talented students over the years. There have been many memorable performances including three productions of Bernstein's famous *West Side Story* in 1998, 2002 and 2014.

Those students, teachers and families who have been a part of the musicals over the years also know how much fun the "after-party" was after all the hard work was complete. We would like to re-live and remember those nights as we celebrate our 50th year.

A special one off 'night of nights' hosted by past student and musical performer, writer and comedian, Gerard McCulloch, will feature some live performances, video highlights, and will be a great opportunity to connect and socialise again with cast members from a distinguished list of musicals.

All of our extended Mazenod Community are most welcome to join us for this special night of song and dance, celebrating a great musical heritage.

Tickets for the event are a very reasonable \$30 (finger food included) plus a cash bar available. **Pre-purchase your ticket** via website mazenodmusicalafterparty.eventbrite.com.au as ticket sales will not be available at the door.

For more information visit www.mazenod.vic.edu.au or contact mazenodmusicalafterparty@gmail.com

DIGICON 2017 CONFERENCE

During Term 2, some members of the iSupport Team and other students constructed a robot from parts with the support of Sean Elliott of RoughScience. Called Roughbot, students started with a set of computing components and built them into a robot that can be programmed with instructions to move in any direction according to their coding commands. The project was a great success. Students had the option of purchasing their assembled robot and taking it home where they can develop it further by making a 3D printed chassis and installing a bluetooth controller and other enhancements.

Last week IT Prefect Rehan Maniyar and Year 10 student Josh Triffle participated in Digicon 2017, the annual conference of Digital Learning and Teaching Victoria to present the project to conference delegates. Rehan and Josh spoke about the Roughbot workshops and what they learnt about computers and coding. Josh was also able to answer a question from the audience about Aurasma augmented reality software which the iSupport Team had experimented with some time ago. Special thanks to Mrs Triffle who drove Rehan and Josh to the conference. Well done students, you were a credit to Mazenod.

Camilla Elliott - Head of Library/ eLearning Coordinator

Mass Times

Mass in the Mazenod Chapel – Monday to Friday, 8.10am during Term
St Leonard's, Glen Waverley, Sat 6pm, Sun 8:30am, 10:00am

OPEN DAYS THIS WEEKEND

La Trobe University (LATROBE)	August 6th 2017 (Sunday) Melbourne
Monash University (MONASH)	August 5th 2017 (Saturday) Peninsula Campus August 6th 2017 (Sunday) Caulfield and Clayton Campuses

CHANGES TO THE BACHELOR OF HEALTH SCIENCE FOR 2018

Monash Medicine, Nursing and Health Sciences has introduced some changes to the Bachelor of Health Science, taking effect in 2018. Instead of choosing a specialisation, students now enrol straight into the degree of their choice.

• Bachelor of Health Sciences

Students build a sound foundation in health care and learn to identify, investigate, analyse and assess health issues. They will have the flexibility to explore different areas of health and customise their degree to suit their interests. No maths is required for entry into this course. More information: [Click here](#)

• Bachelor of Public Health

This course gives students the opportunity to pursue their passion for promoting good health, preventing disease and managing illnesses. They will be taught by passionate teachers with a global orientation, getting them ready to make a difference and address real health challenges for communities and populations. More information: [Click here](#)

• Bachelor of Radiation Sciences

This course is ideal for students interested in becoming a radiation therapist. Throughout the program they'll be immersed in the latest technology, participate in 3D treatment simulations and complete clinical placements from second year. Taught by experienced radiation therapists, students are kept up-to-date with the latest industry developments. The Bachelor of Radiation Sciences is a great pathway into the Master of Radiation Therapy. More information: [Click here](#)

• Bachelor of Paramedicine

This course gets students ready to save lives and qualify as a paramedic. They gain hands-on paramedic experience with placements from Semester 1, while working in clinical and community settings and learning from experienced paramedic educators. Monash graduates work with emergency health services across Australia and overseas. More information: [Click here](#)

CAREERS AND CREATIVITY DAY FOR ART, DESIGN AND ARCHITECTURE

Are you a student who is considering studying art, design or architecture, but isn't quite sure? The upcoming Monash Art, Design and Architecture (MADA) Careers and Creativity Day is a great way to find out more about the courses available and the varied careers they can lead.

Taking place on **Saturday 16th September**, the day will begin with an inspiring panel discussion between a variety of MADA's lecturers and alumni – all practicing artists, designers and architects – about where their own career paths have taken them and job prospects they've encountered along the way.

In the afternoon, students will have the opportunity to take part in a hands-on workshop focusing on their particular area of interest. For students interested in fine art, this workshop will include an insider's guide to the application process covering topics such as what to include in a folio and what happens in the application interview.

Registration and more information about MADA Careers and Creativity Day will be available online soon [here](#).

INSIDE MONASH – SCIENCE AND CAREERS

This information session will cover science and careers. If you would like to find out where a science degree could lead, please register for this event.

When: Thursday 31 August, 6.30 – 9pm Location: 16 Rainforest Walk, level 1, S3 lecture theatre, Clayton campus For further information and to register [click here](#).

WILLIAM ANGLISS NEW DEGREE - BACHELOR OF TOURISM (MARKETING)

Commencing in February 2018, William Angliss are delighted to announce [three new tourism qualifications](#) that are designed to meet the changing needs of the growing tourism and hospitality sector.

[The Bachelor of Tourism \(Marketing\)](#) teaches fundamental marketing principles as they apply to the tourism context. Students will gain an understanding of the complex and ever-changing global market for tourism. Students will learn how to identify markets, the motivation of visitors, communications and interaction between stakeholders and the implications of choice. Practical skills will be developed through use of software, online tools, computer simulations, field trips, guest speakers and case studies.

Duration: 3 years

Selection requirements: ATAR (60+ preferred) and Pre-selection Form

Application Process: Year 12 students apply through VTAC.

CURRENT APPRENTICESHIP/TRAINEESHIP VACANCIES

Open – 7 August 2017 at 9am
Close – 20 December 2017 at 12noon

For more details regarding important dates, and

applicable fees, please refer to [VTAC key dates](#).

VTAC FAQs

How many courses can I apply for, and how should I order them?

You may apply for up to 8 preferences. You should order them from what you would most want – your dream course – down with a safety-net course last. Make sure you have Plan A, Plan B and even Plan Z course preferences!

How do I apply?

Applications to VTAC are made on-line on the VTAC website. There are no paper applications. The online application service can be accessed at www.vtac.edu.au Mazenod students will be applying in groups during lunchtime sessions beginning Monday 4th September.

What is a CSP course?

A CSP course is a Commonwealth Supported Place and students pay part of the cost of their courses whilst the government pays the major part of the cost. All Australian and New Zealand citizens and Australian Permanent Residents can apply for a CSP course

What do the course codes mean?

In the VTAC Guide, all CSP and Government-funded TAFE course codes end in "1" while local Full-Fee course codes end with "2". Type "4" courses only apply to students older than 20 years of age. Course codes that end with "3" are for International Students.

What if I do not have the prerequisite subjects or meet the extra requirements?

A course preference will be disregarded by the course Selection Officer if an Extra Requirement has not been satisfied or you do not have a pre-requisite subject

Are the Clearly-In Ranks and ATAR the same every year?

No, you should use Clearly-In Ranks from previous years only as a guide to the relative level of difficulty of gaining entry into a particular course. It is important to realise that Clearly-In-Ranks are always subject to fluctuations as a result of pressures of supply and demand and therefore accurately predicting future entrance scores is not possible.

What is SEAS?

SEAS (Special Entry Access Scheme) is for all applicants whose education has been affected by long-term disadvantage such as disabilities, long-term illness or difficult family circumstances.

Does VTAC decide if I get into a course?

No, VTAC does not decide who gets into a course, and that decision rests with each universities' selection officers and is based on having the correct prerequisites, extra-requirements (if necessary) and the Clearly-In ATAR.

Still confused?

MAZENOD MOTHER'S ASSOCIATION

PRESENTS

A NIGHT AT THE MOVIES

In lieu of the July Mothers Association Meeting, the committee will be hosting a Movie/Supper Night.

Date: Thursday 10th August 2017

Venue: Waverley Cinemas
Pinewood Shopping Centre, Mt. Waverley

Movie: (New Release) PARIS CAN WAIT

Eleanor Coppola's feature film directorial and screenwriting debut at the age of 81 stars Academy Award® nominee Diane Lane as a Hollywood producer's wife who unexpectedly takes a trip through France, which reawakens her sense of self and her joie de vivre. Anne (Lane) is at a crossroads in her life. Long married to a successfully driven but inattentive movie producer (Alec Baldwin), she finds herself taking a car trip from Cannes to Paris with a business associate of her husband (Arnaud Viard). What should be a seven-hour drive turns into a journey of discovery involving mouthwatering meals, spectacular wines, and picturesque sights.

Movie Time: 6.45pm

Supper: Following movie

Cost: \$20.00 per person for movie and supper.

RSVP with payment: 3rd August 2017

Contact: Kayleen McLean 0402 432 064

MUSICAL THEATRE

8-18 year olds

The Young Australian Broadway Chorus (YABC) offers vibrant musical theatre courses for kids and teens that provide an exciting mix of in-class tuition and on-stage performance.

- Singing, dancing and acting - all in one location!
- Rehearse each week with a professional musical director, choreographer and drama director.
- Learn fun, exciting and varied musical theatre repertoire.
- Perform in fully costumed musical theatre productions each semester at the National Theatre.
