Newsletter

Dear Parents,

While it might be the last week of School for students, it certainly has not been a quiet week with Nationals School Volleyball Championship, Australian Catholic Youth Festival and Year 9 Mazenod/Avila Reflection Day just three significant events that has involved a number of students.

The timing of this last Newsletter doesn't allow me to give final results of the Volleyball, however at the time of printing, Mazenod, on the third day of the Championship, Open Honours are currently set for a top 4 finish; 17 Boys Honours are currently sitting in the top 3, ready for a gold medal game; 16 Boys Honours have two crucial games to get into a bronze medal game on today; Year 9 Div 2 are in championship pool, with games to decide finishing place and in a good place for a medal; 15 Boys Honours are ready for a gold medal qualifier; Year 8 Div 1 have two games to play today which will determine a top 4 finish; Year 7 Div 1 finished on top of their pool with a game to get into a gold medal game; Year 7 Div 2 won their first game Wednesday, a great reward for effort. I wish them all the very best and thank everyone who has been involved in these games.

In the midst of all this activity, and the final sprint to the end of the Year, we try to pause to make some time to journey through Advent to Christmas. Advent, the weeks preceding Christmas, is a time to prepare to remember the coming of Jesus in our world. The opening chapter of John's Gospel captures this so eloquently.

"In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things came into being through him, and without him, not one thing came into being. What has come into being in him was life, and the life was the light of all people...

And the Word became flesh and lived among us, and we have seen his glory, the glory as of a father's only son, full of grace and truth." (NRSV Jn 1:1-4,14)

While in some way the last couple of weeks has highlighted for us as a community the fragility of life, it has also highlighted the strength of our community. I have been privileged to witness the 'Word made flesh' in our community over the past few weeks. The gift of the Incarnation reminds us that we believe in a God who chose to experience what it was to be human the good and the bad. The famous "Footprints in the Sand" reflection comes to mind and captures our reality. <https://www.onlythebible.com/Poems/Footprints-in-the-Sand-Poem.html> At times we forget that God walks with us and at those difficult times we are carried by God.

I hope and pray that this season of Advent will be a genuine time of preparation for you and your families. It is a time to celebrate life and all that is good about life. I have included a link to a site that might help you and your family prepare for Christmas this year. <http://www.loyolapress.com/liturgical-year-advent.htm>

There are a few anxious Year 12 Students and their families awaiting results which will be out on Friday 15th December 2017. Please keep them and their families in your prayers.

I would like to wish you all a Holy and Blessed Christmas. While it is meant to be a time of joy, family and celebration I am well aware that it can be a time when the realisation that a loved one is no longer with us becomes a reality, that we can become consumed by the consumerism and it might even highlight that our family is more like the Addams Family than the Holy Family. Be gentle with one another and remember that Christmas is about God's love for us and the challenge is to reflect it in our lives. I look forward to welcoming our students back in late January 2018.

God Bless,

Fr Christian Fini OMI

NEW LOGO & UNIFORM

There has been a number of calls made to the College and the Uniform Shop regarding the new logo and uniforms. Many have been asking the question of whether they need to purchase new uniforms with the new logo on them, and if they can still use uniforms with the old logo.

I would like to reassure parents that the College understands that the introduction of the new logo on uniforms is a lengthy process that will occur over a number of years.

I wish to reassure you again that there will be minimal impact on parents with regards to the need to purchase uniforms with the new logo. This is without a doubt a three to six-year process. All uniforms with the old logo will and can still be used. Once the Uniform Shop has depleted their stock of uniforms with the old logo on them, it will be restocked with uniforms with the new logo.

School Photo Day

As you would be aware the First Sunday of Advent was celebrated on the 3rd of December. Advent is a period of preparation. A time to prepare for the coming of our Saviour, Jesus Christ. It is not a period put aside by the Church to prepare for the festive season by trimming the tree, buying gifts or baking until all hours of the night. Advent, derived from the Latin, Adventus, meaning coming, is like Lent, a preparatory season of looking forward to, and waiting for, the annual celebration of the birth of Christ. During this period, Christians are asked to prepare themselves not only for the coming of the Christ, but to make themselves ready to be, "fitting abodes for the Redeemer ... in order to make themselves ready for His final coming...." (New Catholic Encyclopedia)

At Mazenod, we try and have our young men focus on others in the lead up to the season of Advent. Traditionally students donate money and food products which are then distributed to the surrounding St Vincent de Paul Societies that operate throughout our local Parishes. This year, like in past years, the collection of goods has been encouraged by our Year Level Coordinators, particularly those of the Junior School and Mrs Williamson in the Senior School. We can never underestimate the value of even the smallest donation. It is easy to take our wealth and good fortune for granted.

I would like, if I may, to share a reflection that was published in the Meath Street Parish Bulletin in Ireland.

Count Your Blessings

If you woke up this morning with more health than illness...you are more blessed than the million who will not survive this week.

If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture or pangs of starvation...you are ahead of 500 million people in the world.

If you have food in the refrigerator, clothes on your back, a roof over your head and a place to sleep...you are richer than 75% of this world.

If you have money in the bank, in your wallet and spare change in the dish someplace...you are among the 8% of the world's wealthy.

If you can hold up your head with a smile on your face and are truly thankful...you are blessed because you can offer God's healing touch.

If you can read this message you are more blessed than over two billion people in the world who cannot read at all.

Have a good day, count your blessings and share this to remind everyone else how blessed we really are.

This Christmas, it would be wonderful if we could instil into our young men how blessed they are and how, as Christians, we are called to help those in need. Encourage them to give, as well as to receive graciously. Remind them of the wealth we possess and then have them reflect upon the plight of those who have much less than us. Perhaps, begin a Christmas tradition of supporting a Charity, donating to a 'Giving Tree' or assisting a family in need. Allow your sons to use the preparation time of Advent to become the 'fitting abodes for the redeemer'.

Have a wonderful Christmas, a relaxing and enjoyable holiday with your families and always remember to 'Count your Blessings'!

Mr Tony Rolfe

Deputy Principal (Operations)

THANKS 2017

The year has gone so quickly and its that time of year again where we reflect on what has been a sensational year for Mazenod Sport! With over 1000 participants in a wide range of sport we can all be very proud of what we have achieved. With all sport and life there has been the challenges and triumphs and hopefully we have all learnt through these experiences to be better people and sportsmen. It is very hard to pick just one sporting moment from the year. I think back to watching Lau Dath in Year 12 set a new High jump record at over 2 metres. We marvelled at Mr Montoya and the Senior Soccer boys who went back to back flags and for our Year 12 boys created a record by winning every soccer premiership in their 6 year time!! We won more Football games in 2017 than we have in many years! We saw our Athletes in Dharam Deol and Will Collins dominate the ACC Cross Country. Our Senior Volleyball again keep doing what we do and that is win premierships. It is important we do not take this for granted and remember due to the hard work and training that we get such great results. Our current senior team are one of the best we have ever seen at Mazenod and they continue to leave a great legacy for the rest of the college to follow. If I had to signal one event it would have to be the Year Senior ACC Basketball win! It was our first in many decades and our first in the ACC. The students which were mainly Year 11 boys performed exceptionally well after losing their first game and then winning their semi final in extra time on the buzzer! Mr Fox has given great service to our Basketball program and the students and it was fitting and well deserved that the team finally got the rewards for its hard work and perseverance.

Sport would not be what it is without the dedication and passion of our wonderful staff at Mazenod. They all give so much extra that is not seen by many to ensure students get the best possible opportunities to perform. You don't see the buses that come in at 7pm from Geelong, or the 7am swim session that staff regularly do. What makes the program so successful though is the working relationship students and staff have. Working together is instrumental in all great sporting environments and I am pleased to say we live it every week at the College.

A big thankyou to our Year 12 who have already departed but leave a lasting footprint on the current student body. From Volleyball to Cricket and Table Tennis they have shown sportsmanship, fairness and humility every time they have represented us.

I would also like to thank the Sports Department and Mr Nick Lew Ton for all their support in their perspective roles. Mr Jack Campbell our sport gym and equipment manager also for all his work in making sure all is prepared and ready. To Mr Brendan Rolfe and the College maintenance team for ensuring we have the best facilities to use in the ACC.

I would also like to thank Mr Paddy McKenna Executive Officer for the ACC and his Assistant Mrs Rosie Welsford for all their work in running such a well organised and professional competition. To have well over 1000 fixture sports to administer in a year they do a wonderful job.

To Father Fini and the College Executive who have supported the program and students unconditionally in all their sporting pursuits we thank them. I wish all families a restful and Holy Christmas. I look forward to everyone recharging their batteries and doing it even better in 2018.

OBLATE CRICKET

I am writing this overlooking the main ground at Iona College as our boys are locked in a tense game against Mazenod College WA. With heavy rain over the weekend the cricket has been pushed back a day and todays result will be crucial in determining the winner and hopefully in the first newsletter of 2018 I can bring you some great news. The trip is a great time for the students and see the boys from all 3 Colleges interact with each other really hits home at how important it is we keep fostering the oblate Spirit amongst all the Colleges.

NATIONALS VOLLEYBALL

At the time of writing the Nationals is into its 3rd day and so far we have progressed very well with 7 out of our 9 teams on track to win a medal, hopefully plenty being golds. Funnily enough our U17 Honours played Iona last night in a great game coming away with a good win in 4 sets. Iona have improved significantly in the last few years and are vying for a medal along with us. Our senior team has started

very well winning all 4 games and one more win should see them qualify for medal games without going to the knock out games. A big thank you to Mr Josh Cowan who has done a magnificent job getting all our teams registered and organised for this event! Thanks to the staff who have also given up their time to assist all teams during morning and late night games. Good luck to all teams for the remainder of the tournament.

Are you wondering what to give as a gift for Christmas this year?

Give someone

a gift of hope

this Christmas

An ideal meaningful gift for someone special this Christmas is a MAMI Gift Card: a gift that keeps on giving for the entire year and beyond.

At Christmas we celebrate the greatest gift of all, the birth of Jesus Christ.

In the true spirit of Christmas, your gift can be a gift to those less fortunate – a gift of love.

The concept is simple: make a recommended tax deductible donation to one of our programs and you will receive a Christmas Gift Card, which explains that you have purchased a gift card in place of a gift, and give it to a loved one.

Make a donation to one of these projects in the Missions supported by the Missionary Oblates of Mary Immaculate.
