Permit for Student Driver

Licensed student drivers are permitted to drive a motor vehicle to school only if they abide by the following regulations -

- That the student duly obtain authorisation from the Deputy Principal (Students) by completing this application.
- That the motor vehicle be at all times parked in the designated or approved area when at school.
- That the motor vehicle not be parked in Murdoch Avenue except with permission.
- That the only students apart from brothers who may travel with the student drive are those who have been given permission in writing by their parents to travel with the student driver and who are in turn approved of by the parents of the drive. This approval from both Parents must be attached to this application.
- That, as well as observing the traffic laws of the State of Victoria, the student driver is particularly cautious and vigilant in and around Kernot Avenue.
