ANZAC DAY

Thursday 25th April, 2013

LEST WE FORGET

- For the freedom that we enjoy as a multi-cultural community – Lest We Forget
- For the ability to argue and differ politically – Lest We Forget
- For the ability to sit next to opposition fans at the footy – Lest We Forget
- That we remain a community open to people in need – Lest We Forget
- That we stand up against bullies and those with bad intentions – Lest We Forget
- That we appreciate the sacrifices our families have made for us – Lest We Forget
- That we appreciate the dignity that unites all humanity – Lest We Forget
- That people of all faiths feel welcomed and supported in our community – Lest We Forget
- For the peace and security we enjoy in our society – Lest We Forget
- That privilege is invisible to those who have it – Lest We Forget
- That our bins at Mazenod eat better than 80% of the world's population – Lest We Forget
- For those who protect our freedoms – Lest We Forget
- That we remain an inclusive community that differs at times – Lest We Forget
- That we appreciate creativity of expression – Lest We Forget
- That we never grow tired of serving our local community – Lest We Forget
- That the men and women of our armed forces who fought for our freedom – Lest We Forget

“lest we forget”

*“They shall not grow old, as we that are left grow old,
Age shall not weary them nor the years condemn,
At the going down of the sun and in the morning,
We shall remember them”*

LIBRARY NEWS

iSupport Team

The iSupport Team is made up of 31 students from across the all year levels who meet fortnightly to support teachers and students in the use of computers at Mazenod College. The boys apply for selection onto the Team in February and have the option of staying on at the end of the year or leaving to make way for new members.

This year we introduced a successful program of partnering new teachers to the College with their own iSupport 'coach'. Students are also holding workshops for any teacher who needs computer assistance. A Parent Computer Workshop is another activity in the planning stages, so stay tuned for further details.

This week's Newsletter contains our first of Technology Tips and Hints Column which will be a regular contribution from Year 7 and 8 iSupport Team members.

CAREERS & PATHWAYS

Australian Catholic University Update:

NEW COURSES IN 2014

ACU are pleased to announce there will be new courses commencing at ACU's Melbourne Campus in 2014. Please refer to ACU's Undergraduate Course Guide for more information, including prerequisites and course duration. These include:

FACULTY OF BUSINESS

- **Bachelor of Accounting and Finance**

The Bachelor of Accounting and Finance is focused on preparation for a career in banking, insurance, investment or financial services.

- **Bachelor of Information Technology**

This course will prepare students to become an information technology professional. Students will acquire the technical, business and relationship skills to build and integrate effective business information systems.

FACULTY OF EDUCATION

- **Bachelor of Teaching/ Bachelor of Arts (Visual Arts)**

ACU offers dual degree Bachelor of Teaching/ Bachelor of Arts (with specialisations) for students wishing to teach in a secondary setting. This course will qualify students to teach in two core discipline areas within secondary schools. Students are required to complete 80 days of professional experience.

FACULTY OF HEALTH SCIENCES

- **Bachelor of Applied Public Health/Bachelor of Global Studies**

This dual degree is suited to students who wish to improve community and population health through competent design, development, implementation and evaluation of programs to promote physical activity and recreation in the community.

- **Bachelor of Exercise Science/ Bachelor of Public Health**

The dual degree combines core curricula from Exercise Science and Public Health, and a major in Outdoor Recreation or Coaching. Graduates may progress to further studies in health promotion, epidemiology, public health, sports administration, sports event management, health administration, corporate health and wellness, and occupational health.

- **Bachelor of Exercise Science/ Bachelor of Business Administration**

Students will gain an extensive knowledge base of how the human body works, with a specific focus on the role of exercise in health, well-being and performance. Through a broad range of business subjects, students will learn how to grow a business with an understanding of markets and application of business marketing.

ACU HEALTH EXPERIENCES STRONG GROWTH IN 2013

The Faculty of Health Sciences introduced three new Melbourne-based degrees in 2013: the Bachelor of Applied Public Health, the Bachelor of Nursing/Bachelor of Business Administration and the Bachelor of Speech Pathology.

ACU allied health programs have been popular with 76 students enrolling in the new Bachelor of Speech Pathology at the University's Melbourne Campus. The Bachelor of Occupational Therapy, which began at Melbourne in 2012, enrolled 117 students this year.

ACU – NOW OFFERING CAREERS IN INTERNATIONAL PUBLIC HEALTH

The Bachelor of Applied Public Health/Bachelor of Global Studies offers students to pursue a career in International Public Health. The four-year double degree, which will be introduced in Melbourne in 2014, combines training in Public Health and Global Development with access to national and international community development programs. Global is a key feature of this course, with a full semester placement in a community development setting (international or local) during the third year of the program.

EXERCISE SCIENCE – EXPERIENCE IS KEY

Students in the School of Exercise Science are privy to an eclectic range of opportunities in the exercise science, sports, health and fitness industry. In a partnership program between AFL Victoria and ACU, students can be involved in the organisation and running of specially tailored AFL clinics for students in both primary and high school. ACU students can also be involved with *Active After School Communities*, a volunteer program which gives university students experience instructing sport in primary schools. ACU students can also be involved in allied health clinics or work closely with physiotherapy, dietetics and nutrition professionals to gain vital field experience.

EXERCISE SCIENCE – OUTDOOR RECREATION STREAM

ACU's Bachelor of Exercise and Health Science degree provides an Outdoor Recreation Leadership stream. If a student chooses to undertake all eight units in Outdoor Recreation they can obtain VIT accreditation for Outdoor Education as a Teaching Method.

There is a strong body of knowledge that highlights the importance of natural environments and their contribution to health and wellbeing. Studying Outdoor Recreation Leadership at ACU enables students to apply this knowledge in the community.

Graduates of the Outdoor Recreation Leadership stream work in areas including;

- Expedition guide
- Facilitator for corporate outdoor companies e.g. running initiative, team building and personal development activities
- Nature tourism
- Camp directors/ managers
- Program directors for wilderness and adventure therapy
- Risk assessment
- Government department management including marine safety, land care and national parks

For more information on any of the above courses please see Ms Seremetis or visit the ACU website: www.acu.edu.au

SPORTS NEWS

ACC ATHLETICS BREAKFAST

All students who competed and trained on a regular basis for the Athletics Squad will soon receive an invitation for the Athletics Breakfast for them and their parents to be held on Friday, 2nd May. This breakfast is held for all our Carnival Sports as a small way to say thank you for their dedication and effort. For catering purposes it is important that students RSVP by the given date to avoid embarrassment of being not allowed to attend.

ACC UNIFORMS

All our Term 2 Teams will be competing within the next few weeks. The College goes to considerable expense to supply jumpers. Can parents please assist us by looking after the jumper during the season and returning it when asked washed and cleaned. By doing this we can avoid getting students to pay for their own jumpers. It is also important that we represent the College in an honourable way and that means also wearing the correct shorts and socks. For all Year 7-10 teams that is royal blue shorts and socks and for Senior Teams black shorts and socks. These can be purchased yourself or through the Sports Department. \$8 socks and \$17 shorts.

ACC BADMINTON & GOLF

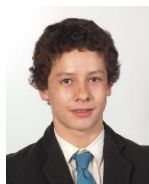

Next Tuesday both our Senior Golf and Badminton Teams will compete in ACC Competitions. The Senior Badminton Tournament will be the first everywhere, where all ACC Colleges will play off for the title of ACC Champions. The day will be held at **MSAC Albert Park** and Mr May has been conducting tryouts over the past 3 weeks. There will also be a Junior event in 3 weeks. We wish our Senior Team every success.

Our Golfers will head to **Northern Golf Club** bright and early (7 am) also on Tuesday hoping to win the Division 2 Pennant and win promotion back into Division 1. The tournament is open to any student from Year 7-12 and is a stroke event. The Junior Golf day (Years 7-10) will take place early Term 4.

ON THE RISE

Year 10 student **Andres Urrego-Varon** recently played in the World Junior Tennis tournament held at Melbourne Park. Andres is a passionate Tennis player and had improved his game greatly over the years. Andre's performed well in the singles before being beaten in an early round, however performed very well in the doubles reaching the Semi-Final stage.

Congratulations also to Brian Fogarty of Year 9. Brian was a member of the successful U14 4x50 Victorian Relay Team which took out Gold in both the medley and freestyle, at the National Championships in Adelaide. Truly a fabulous effort. Well done Brian!!!

OLD COLLEGIANS NEWS

Another great weekend of results for both Clubs on the weekend. In what is hopefully a regular occurrence every Senior Team from the Soccer and Football Club won.

The United Seniors had a convincing 4-0 win as did the Reserves. Mazenod United has also unveiled a new thirds team that has seen some very familiar faces of Mazenod return to the pitch. The Juniors all played their round 2 games with pleasing results.

The Football Club had all 4 teams win with the U/19's recording their first victory over the highly rated Old Carey team by 5 points. It was

great to see Jacob Paola and Francis Palleschi amongst the better players.

This weekend the U/19's are at home at Central Reserve at 2 pm and all Senior Teams from the Football and Soccer Club are away. Mazenod United are playing at Howard Res against Swinburne University and the Old Collegians Football Club are playing at Scammell Reserve, Oakleigh.
