عيد فصح سعيد

Καλό Πάσχα

Dear Mazenod Community,

It has been a great week in the life of the College with an immense range of activities and learning taking place. I will endeavour to give you a snapshot of the major events of the past week alongside the events still to come.

I would like to extend Easter greetings and joy to all of the Christian Orthodox members of our community. Through the use of different calendars to calculate the date of Easter, there are different celebrations. Our College is enriched by members of the Christian Orthodox Churches and this weekend they will celebrate Easter with the fullest of joys. The Orthodox and Catholic Church share a special bond and very close belief systems, yet differ in structure and minor aspects. My prayer and hope is that one day we celebrate Easter on the same day, in preparation to full unity again.

The weekend before last saw the Father/Son Fishing trip in Westernport Bay. It was a thoroughly enjoyable day (except if you were a fish!) and I thank the fathers who organised and participated in the event. I would certainly encourage this activity to every family in the College.

Student Achievement

Congratulations to the following boys on some outstanding individual and team achievements:

Brian Fogarty of Year 9 achieved some excellent results in the recent Age Championships for Swimming by winning a Gold Medal as part of the Nunawading 'A' 14 & Under 4 x 50m Freestyle Relay team. He also led the team off in the Backstroke leg as they won the Silver in the 14 & Under 4 x 50m Medley Relay. Brian swam in numerous other individual and relay events and achieved nationally recognised qualifying times as well as personal bests. Brian is a great supporter of the swimming programme and I am very proud of his achievements. His Nunawading Team finished in 2nd place overall for the Club's highest ever achievement.

Scott Gilmore of Year 11 achieved outstanding results in the recent Victorian Junior Table Tennis Championships where he was able to reach the Quarter Finals in Singles and also became a State Champion with his partner in the Under 18 Doubles. Scott has represented the College with distinction in Table Tennis and through his sponsor *Butterfly*, we have been able to secure new resources for the Table Tennis Stadium that is part of our new Provence Centre.

Our Senior Badminton Team recently won the ACC Badminton Championship. This Sport is one of the fastest in the world and the team can be very proud of their achievement. Sean Ryan of Year 11 has been instrumental in seeking to have these Championships as part of the ACC calendar and it was fitting that he was part of the College's Inaugural success. The matches

were played in great spirit and the competition was intense. I congratulate everyone involved.

This week has also seen the Inaugural ACC Arts and Technology Exhibition at Federation Square. It has been a wonderful occasion for each of the 11 member ACC Schools to showcase the talents of our students in a non-competitive and collaborative way. We thank Mr Michael Keady and all of the Students involved as well as Mr Paddy McKenna who organised the event so well.

Prayer Support

Please keep in your prayers Marcelo Millan (Class of 1986) who passed away. We most especially pray for his family during this sad and difficult time.

Mission Action Day Thanks

As the final donations are making their way to the College, we will make the formal announcements of where the resources will be sent within the next couple of weeks. A sincere and heartfelt thanks to everyone who has contributed so far.

National Disability Insurance Scheme

It is welcomed that there is political support from both major political parties on the need to care more for those with disabilities within our community. These measures have been too long in coming, yet are most definitely needed. Disability can come in many forms and can be temporary or permanent. The most vulnerable members of our society need both financial and societal support. It is hoped that the National Disability Insurance Scheme will provide that. Mazenod College remains committed to being as open and accessible to people with disabilities as it possibly can.

Provence Centre Opening

Our new Provence Centre is being opened and blessed on Friday, 24th May at 10 am. You are all most welcome to attend, however for seating and arrangements to be ready, could I please ask that you contact the Front Office on 9560 0911 if you are able to attend.

Take Care and God Bless
Fr Michael Twigg O.M.I.

VCAL Student Profile Christian Buswell (11 Ryan)

Christian joined VCAL last year with aspirations of being an Electrician. He sourced his work placement at Techsys, an electrical firm in Dandenong South, that produces electrical switchboards, control water management systems found in the mining industry, agriculture and commercial swimming pools. Christian has gained valuable experience and is learning how to assemble and wire switchboards that are worth upwards of \$2000.00. Luke and Terry, his direct Supervisors, are really pleased with his good nature,

industrious attitude and willingness to learn. Mazenod College gratefully thanks Wayne and Barbara, the owners of Techsys for providing Christian with such a unique work placement.

PHYSIOTHERAPY UPDATE

Why is the Doctor of Physiotherapy at the University of Melbourne three years when other programs for graduate physiotherapy are two years?

The course structure of the Doctor of Physiotherapy was developed following significant research and consultation with leading health and research sector stakeholders, nationally and internationally, to determine the future needs of the physiotherapy profession.

A three year program allows the curriculum to move beyond core basic level physiotherapy skills and develop more advanced clinical skills in areas such as advanced radiology and pharmacology, leadership and management, and sports medicine to prepare graduates well to practice as primary health practitioners. It has been widely agreed by industry stakeholders that a graduate entry physiotherapy program that is able to extend over three years would provide increased opportunity to produce more work ready graduates for the healthcare profession.

Three years allows for a more extensive clinical program to be developed which provides experience not only in the core areas of musculoskeletal, neurological and cardiorespiratory physiotherapy but to also move into clinical areas across the lifespan including paediatrics, aged care/rehabilitation as well as essential areas of future healthcare practice in chronic disease management and health promotion. The third year also enables students to undergo a capstone Work Readiness clinic and culminate their extensive clinical experiences with an extended clinical selective in a variety of clinical areas of personal interest such as private practice or undertake an independent research project.

Essentially, the three year program will ensure that graduates from the University of Melbourne's Doctor of Physiotherapy will be academically excellent, work ready and highly employable in the workforce.

For more information about the Doctor of Physiotherapy, go to: www.physioth.unimelb.edu.au

BACHELOR OF MUSIC

The Bachelor of Music aims to produce graduates who are both thinking musicians and musical thinkers – people who will make a difference to our world by embracing and furthering the practice.

The program is offered by the Melbourne Conservatorium of Music and focuses upon Western tradition, classical music. All Bachelor of Music students share a common first-year experience that focuses on developing music performance and applied music skills, as well as historical, contextual, theoretical and aural studies. They receive one-to-one tuition from highly experienced teachers and a wide range of ensemble experiences, including the University of Melbourne Orchestra.

In second year, students can choose to remain focused on music performance or shift to other majors such as composition, musicology or ethnomusicology.

Third year includes a capstone subject in the chosen major as well as elective options that allow students to tailor their final year to their interests and future study and career goals.

Entry into the Bachelor of Music is by audition.

BADMINTON CHAMPS!

On Tuesday, Mazenod created history by winning the first ever Senior Badminton Championship at MSAC. Not only did they win, they set an amazing standard by winning every game they competed in over the course of the day. Mr May has trained and trialed the Senior students over the past 4 weeks and it was very cut throat to make the final team of 10. We congratulate all those who trained and played on the day and a big thanks to Mr May for taking on the important role as Coach. Mr May has kindly offered to Coach our Junior Team (Year 7-10) that will play in the Junior Titles at the end of the month. Tryouts will begin soon for this.

GOLFING GREATS

Our Golf Team ventured out to play at Northern Golf Course of the Senior ACC Championships. In sensational conditions our boys played very well to finish 2nd in Division 2. The most pleasing part was that 6 out of the team of 7 are in Year 10 or below and that makes them eligible for the Junior Day at the start of Term 4. Congratulations to Kieren McKeogh of Year 11 and Thomas Molinari of Year 9 for having the lowest Mazenod score of 80 on the day. Thanks to Wesley Yon, Rhys Ryan, Adam Batinic, James Manderson and Lucas Gentile who all represented the College so well.

Congratulations to De La Salle and Emmanuel for winning the Division 1 and 2 Titles respectively.

ACC BREAKFAST- ATHLETICS

Friday morning saw the next of our Award Breakfasts. We acknowledged the Athletics Squad for their time and effort in preparing and competing at the Carnival last Term. We have decided to do the Breakfast as part of our Sportsman nights as we felt it was more intimate and sincere in acknowledging the efforts of students and support of parents. Last Friday at lunchtime all students who played ACC Tennis, Cricket and Volleyball were invited to a short ceremony where awards were presented and every student were acknowledged for his contribution.

SWIMMING CHAMPS

Brian Fogarty

Joel Watson

During the last School holidays we had 2 students competed at the Australian Junior Swimming Championships in Adelaide. Joel Watson and Brian Fogarty both swam representing Victoria and their Club Nunawading. Both enjoyed their titles posting some great times and to be ranked in the top 20 in the country for any event is a marvellous achievement.

Congratulations also to Scott Gilmore (Year 11) who over the weekend competed at the Victorian Junior Table Tennis Open, where he managed with his partner to win the Victorian State Title in the U18 Doubles. Scott was also a Quarterfinalist in the U18 Singles.

OLD COLLEGIANS NEWS AND UPDATES

Old Collegians Teams had mixed results last week. The Soccer Club had a loss to Swinburne University 5-1 and the Reserves also found the game challenging. The Junior Teams all had a great day on Sunday with our girls team performing very well. The Footballers had a 10 goal win over Oakleigh and the Reserves narrowly loss. The U/19's had a 10 goal loss as well to Werribee, though disappointed the team will learn from this as we had a third of our team still eligible to play U/17 Football.

This week both the Soccer and Football Clubs have Home games at Mazenod College and Central Reserve starting around 1 pm. Both Clubs are also preparing for big Founders Day matches in 4 weeks' time.

ACC RESULTS

By next week we will have every Mazenod Team up and running and with 16 teams playing over 3 days. For parents who like to come and support you are most welcome to attend any of our games. I would advise that before leaving you check the ACC website www.accmelb.com.au or ring the College as late changes do occur.

Our Senior Soccer team has started their season in great fashion beating DLS 7-1 and this will give the team great confidence. In fact all our Soccer Team are doing very well in the early stages of the season. Our Football Teams have tried hard but are yet to record a win, except for the sensational Second XVIII who had a fantastic 21 point win against Parade. Mr Regan continues to do wonders with this team, or has it been the influence of Mr Ford?
